II. Statement from the President

Dear Homeowners of Laurel Park,

The Annual meeting is being held virtually again via Zoom due to ongoing concerns of the Executive Committee (EC) about the risk of spreading COVID-19. While some activities in the park have returned to in person, the EC felt that everyone who wishes to attend the Annual Meeting should feel safe in doing so.

That being said, it has been lovely to witness the return of the traditional activities of Laurel Park, such as the Strawberry Social, Coffee Hour, Tag Sale and outdoor entertainment in the Tabernacle. Many residents have taken advantage of the fun games in the dining hall this year. We have had dinners, art displays and movement classes. Many thanks to the Social Union and Laurel Park Association (LPA) for your efforts in facilitating these activities.

Laurel Park is 150 years old this year! Laurel Park Association is hosting the Sesquicentennial celebration on October 22. LPA and the Property Committee have been working hard to create what I am sure will be a wonderful day of celebrating the unique history of Laurel Park.

I want to acknowledge the hard work of the Executive Committee this year. As you may be aware, the pivotal positions of President and Property Officer were vacated in June due to the homeowners who held that position leaving the park. Darcy and Colleen did a magnificent job, and we are very grateful for all the work they put into the park. As a result of their departure, the Executive Committee had to regroup. While it has been a bit chaotic at times, I believe that we have done a great job weathering the transition. I want to thank the members of the EC for weathering this transition and in many cases, doing more

MINUTES OF THE 2022 HALP ANNUAL MEETING

than what is typically asked of an EC member. A special thank you to EC Clerk Seth Wilpan, who during his tenure, worked diligently to streamline the clerical process, enhanced the HALP website, and helped the EC navigate the recent changes. And, many, many, thanks to Louis Hasbrouck for stepping into the Property Officer role during the busiest time of the year.

This transition period for the EC is not over. The positions of President, Vice President, Clerk, Treasurer, Property Chair and one Member at Large position are up for election. Tryna Hope has been working extremely hard as the lone member of the nominating committee to recruit homeowners to serve. Despite her great efforts there are positions with no nominees which leaves the Executive Committee in a very precarious position. Laurel Park is required to have an Executive Committee and it is the responsibility of all homeowners to make sure we have one. Please consider running for one of these positions.

I have served on the EC in three different capacities over the past 3 years, and I am grateful to have had the opportunity to serve. Laurel Park is truly a unique, lively and vibrant community!

III. Property Committee Report

IV. Review of Robert's Rules

V. **MOTION:** Approve 2021 Annual Meeting Minutes. **PASSED**

VI. **Introduction by Seth of new Long Term Planning Special Committee formed by the EC.**

Long term planning is an essential element of any organization. Such planning involves an evaluation of challenges and opportunities, the definition of goals, and the development of strategies and tactics in the service of those goals.

To name a few the long-term issues that have recently come to the fore:

- Maintenance and use of common buildings
- Sustainable governance practices
- Land use, adaptation to changes in the landscape brought about by plant disease, invasive species, and climate change
- Integrating our community into the city sewer system
- Installing wind turbines for generating electricity

The EC is too engaged in day-to-day operations to devote itself to the research and discussion that this planning requires, so, under the auspices of Section 3.11.1, we

MINUTES OF THE 2022 HALP ANNUAL MEETING

have established a Special Committee for this purpose. The Long-Term Planning Committee will initially be composed of five (5) homeowners to be appointed by the EC. Having been appointed, the committee will elect a chairperson and whatever other officers it deems necessary.

The Committee will draft its own governing rules, which will be subject to approval by the EC.

The Committee will submit a written report of its activities, findings and recommendations in writing to the EC at each monthly EC meeting. When there is no activity to report, the committee will register “no report”. More frequent communications and meetings may be conducted as required.

It seems logical that each committee member will focus on one or more specific topics of interest, forming subcommittees to work on those specific interests. Committee members are encouraged to elicit the participation of homeowners in the work of the committee.

Due to the nature of the work of the Committee there is no requirement for it to meet on a regular basis so long as a monthly report is submitted to the EC.

If you'd like to sign up for the Long Term Planning Committee, please submit your name to the clerk prior to the November 8 EC meeting, at which time the committee appointments will be made.

IX. Playground Presentation by Lauren Anderson

This was a Powerpoint Presentation that is available for viewing at <https://homeownersatlaurelpark.com/wp-content/uploads/documents/Playground%20Improvement%20Presentation.pdf>

A. Discussion

1. Wil Morin cautions that base material should be carefully considered to avoid prolonged maintenance.
2. Lauren suggests that we find agreement on the concept of refurbishing the playground and continue to research options.
3. Beth Brown is concerned about liability and thinks that playground should be removed. She is concerned about long-term infrastructure projects that seem to be of a higher priority than the playground.
4. Lauren Vitiello thinks that children are also an important part of the future of the park and the playground committee has done a good job of cutting costs.

X. Review and Vote on Proposed Budget

- A. .The proposed Budget can be found at APPENDIX I of this document/
- B. **MOTION:** Accept the Proposed Budget for 2023.

MINUTES OF THE 2022 HALP ANNUAL MEETING

C. **Discussion:**

1. Judson notes that due to inflation, a level budget actually represents a reduction of whatever the rate of inflation is, possibly 6-8%.
 - a. Ruth responds that this was a consideration in compiling the budget, but at the time utility price hikes were unknown and there are several other unknowns.
2. Judson asked where the money for the playground would come.
 - a. Ruth responds that it would come out of reserves.
3. Sheri K is concerned that money earmarked for playground would detract from tree work and would put a significant dent in the reserve contributions.
 - a. Ruth responds playground is a one-time request.
4. Sandra H points out that the playground is not part of the budget, so is off topic for vote on the budget.
5. Judson questions differences from last year's budget in building maintenance.
 - a. Ruth responds that there is an increase for required repairs of the Chapel. Normal Hall maintenance budget has been reduced.
6. Judson asks why the Contingency amount has been reduced from \$15,000 to \$4,000.
 - a. Ruth explains that the purpose of the Contingency line is to allocate funds unanticipated expenses rather than juggling amounts in other line items. It's lower this year because we feel we've done a better job of allocating funds to specific categories.

D. **VOTE:** to approve the budget. **PASSED**

XI. **MOTION:** Approve \$6,000 expenditure for playground. **PASSED**

XII. **Review and vote on proposed by-laws.**
