

## LAUREL PARK LIBRARY GUIDELINES

The library is open 10am–8pm every day.

Borrow any book you like, and return it when you're done. Re-shelve it roughly where you found it, if you remember.

The room is set up to read or write in as well, or hold small-group gatherings. It cannot be reserved; first come, first served.

For COVID safety, when in the library with others not in your household, please be prepared to wear a mask.

When you leave, remember to take any trash out with you, and turn the fan and lights off.

### **RE BOOK DONATIONS:**

The trunk just inside the door is for donations of books in good condition. If it's full, please wait to donate.

We have limited space, so we will be curating the books to keep them from overwhelming the space as in the past. Please donate small numbers of books at a time (no more than 10). If you have a lot of books to donate, please get in touch with one of us.

If you donate a book, we may put it on the shelf, donate it elsewhere, or sell it at the Book Mill with the proceeds to go toward library upkeep. We thank you for the contribution in any case!
