Next Meeting:	7/24/17		

Minutes:

1. NEW BUSINESS FROM HOMEOWNERS: * #112 (drainage around unit):

Unit owner brought up recent repaying on road by his cottage and concern that water may drain off the road and toward his cottage. Wants something done to fix. Discussed options. Mike Pancione will follow up with a solution. Owner also notified Mike P and EC that there is a wire hanging from a utility pole between #112 and #113. Not thought to be live. Mike P will follow up. * **#95 (septic system concerns):** Concerns brought by homeowners about several septic systems on road to community gardens that were protected from vehicles by stumps which were removed per EC. Concerned homeowner put orange cones out to guard the area. Discussion held on solutions other than orange cones. Latter will be removed and stumps, bushes and/or rocks will be looked into by Mike Pancione and put in place. * #72 (LPA Activities): President of LPA, Sandra, presented status of LPA activities for the coming months. Also, what has been done (tuned piano in Normal Hall, placed donated
